Avian Health Requirements

- Annual exam by a veterinarian
- (for birds >70g):** Bloodwork- annual CBC and chemistry panel

Avian Feeding Instructions/Packing List

- Bring your pets' current diet for us to feed to prevent stress and weight loss.**
- PLEASE pre-measure and pre-package food in individual Ziploc bags, labeling each meal (breakfast, lunch, or dinner) to ensure you have provided enough food for your pet's stay.** We also suggest packing some "extra" in case you encounter any delays in your return.
- Fresh produce should be supplied for 1 week; the resort will supply the remainder for longer stays. Please freeze table food items if possible.
- Provide feeding instructions that include: the type of food (pellets, vegies, seeds, nuts), amount fed each meal (teaspoon/cup), & frequency of feeding (number of times per day)
- You can bring your bird's cage to decrease stress during their stay or use one of ours. **(Cages must be clean of all feces/food and labeled with Owners last name/Pet's name).** If using our cages, bring several of your bird's favorite toys.

All Guests: Medications/Supplements

Please inform us of any behaviors, physical limitations or health concerns that will help us better care for your pet during their stay. This includes hearing/vision loss, arthritis, anxiety, allergies or any other medical condition that may need special monitoring.

- For your pet's safety, all medications/supplements are required to be in the original packaging with clear dosing instructions.
- Please ensure you have provided enough medication for your pet's entire resort stay with a little "extra" in case you encounter any delays in your return.
- Medication/supplements for our resort guests can be administered between the hours of 6am and 6pm for the cost of:

\$1.00 Per Medication/Supplement & per dose
Insulin \$10.00 per day
