Canine & Feline Feeding instructions/Packing List

We serve Hills gastrointestinal diets during your pet's stay (included). However, we encourage you to bring your pets' current diet for us to feed to prevent digestive upset.

- If you are providing your pet's food, PLEASE pre-measure and pre-package dry food in individual Ziploc bags, labeling each meal (breakfast, lunch, or dinner) to ensure you have provided enough food for your pet's stay. We also suggest packing some "extra" in case you encounter any delays in your return.**
 - Provide feeding instructions that include: the type of food (dry/canned), amount fed each meal (teaspoon/cup), & frequency of feeding (number of times per day)**

Toys and Personal Items:

For your convenience we provide luxurious bedding for all our resort guests-this means you can leave your pet's bed at home. You may bring up to 2 toys along for your pet's stay. Brook-Falls will not be held liable for items misplaced or damaged.

Resort guests will be fitted with an identification collar upon arrival. We encourage you to keep your pet's regular collar and leash after checking in unless an alternate contact will be picking them up at the end of their stay, or if they will be attending enrichment daycare activities.

- Please label all belongings with your pet's name and your last name using a permanent marker to ensure your pet's items are easily identified

All Guests: Medications/Supplements

Please inform us of any behaviors, physical limitations or health concerns that will help us better care for your pet during their stay. This includes hearing/vision loss, arthritis, anxiety, allergies or any other medical condition that may need special monitoring.

- For your pet's safety, all medications/supplements are required to be in the original packaging with clear dosing instructions.
- Please ensure you have provided enough medication for your pet's entire resort stay with a little "extra" in case you encounter any delays in your return.

- Medication/supplements for our resort guests can be administered between the hours of 6am and 6pm for the cost of:

\$1.00 Per Medication/Supplement & per dose
Insulin \$10.00 per day
